

TIRE & RIM CLEANER

KEEP YOUR WHEELS LOOKING NEW

AstroChem™ Tire and Rim Cleaner is a non-toxic, non-caustic, biodegradable blend of premium surfactants which effortlessly breaks down grease, oil, tar, road grime, and brake dust releasing them from the tire and rim surfaces for easy cleaning. Contains no petroleum, ammonia or bleach. Will not dry out tire or cause premature degrading of rubber materials. Safe on all chrome and painted surfaces. Hypo allergenic and safe for the environment.

Directions:

Spray cleaner generously onto wheel. Scrub with brush to remove any remaining dirt. Rinse well with water. Always be sure to allow your wheels to cool before cleaning.

Details:
