

WASH & WAX

SUPERIOR CLEAN & WAX FINISH

Best In Show Premium Automotive Wash and Wax is specially formulated as a premium grade, concentrated auto wash and wax. This super-high sudsing formula has superior cleaning and rinsing properties in order to minimize streaking and spotting on cleaned surfaces. It is neutral in pH, and contains no harsh builders or phosphates. It does not affect any known finishes including fragile clear coat materials and leaves a super-bright, clear shine after rinsing. Inhibited to prevent corrosion. Non-toxic and biodegradable.

Directions:

Rinse car to remove loose dirt. Pour wash concentrate into a bucket and mix with ambient water. Wash car with a clean sponge, terry cloth or mitt. Rinse car thoroughly from the top of the vehicle down. For best results, dry immediately with soft, dry terry cloth or chamois.
