

# WATERLESS WASH & WAX

**CLEAN & SHINE IN ONE EASY STEP**

Best In Show Waterless Wash & Wax cleans and shines all surfaces SAFELY and QUICKLY without using water. No need for scrubbing, rinsing or drying! This great smelling formula contains no harsh solvents and is fortified with Polyseal Protection to give your vehicle a deep rich shine that protects from UV damage, acid rain and water spotting. Its high lubricating agents encapsulate dirt and grime so that it is safely and easily removed from the surface without scratching.

Just spray, wipe and you're done! Cleans, shines and protects painted surfaces, chrome, aluminum, fiberglass, plastic, rubber and laminated vinyl graphics. Also works great on matte finish paint.

## Directions:

Lightly mist surface with Best In Show Waterless Wash & Wax and gently wipe dry with a clean, dry microfiber towel. When towel becomes dirty or saturated, switch to a fresh towel. Do not use on hot surfaces as product will dry too quickly and will not clean as effectively.

## Use On:

- |                |                           |
|----------------|---------------------------|
| -Automobiles   | -Fiberglass               |
| -Motorcycles   | -Chrome                   |
| -RVs / Campers | -Laminated Vinyl Graphics |
| -Trucks        | -Painted                  |
| -Gloss         |                           |
